INSTALLATION INSTRUCTIONS:

Product Detail:

(Front View)

LED light source
Rotating shaft
Touch control switch

Correct Usage:
This fitting can only be tilted 40° front to back (Fig.1). Please do not attempt to rotate it 360° or left to right (Fig. 2) as this will damage the fitting.

Charging:
The Galaxy is provided with a USB cable, meaning that it can be charged using a PC, mobile power pack or power adapter (power adaptor not included). The indicator light will show red when charging and turns off once fully charged. (Fig. 3)

Please note:
Overcharging can damage the battery.

USAGE:
- When the light becomes dim, please charge the fitting in order to protect the battery.
- Charge the fitting at least once a month to prolong battery life.
- This light source is irreplaceable.
