EASY INSTALLATION

Ratchet mounting
system

FEATURES

The Rotadock is a manual version of the One Touch that is rotated open by hand to access the electrical outlets. It also features a quality locking mechanism that secures the unit in both the open and closed position. This unit easily mounts most surfaces and is ideal for shared workstations and boardroom tables.

GENERAL FEATURES

- Premium aluminium construction
- The unit is raised above the mounted surface to reduce spilt fluid ingress when in the open position
- A wide variety of colours and finishes
- Simple ratchet mounting system provides easy installation
- When closed, the unit sits almost flush with the work surface to minimize obstruction

SAFETY FEATURES

- Shuttered power outlets
- Overload protection

APPLICATIONS

- Meeting areas
- Shared Workstations
- Workshops
- Boardroom tables
