# HUAYI

Founded in 1986, HUAYI Lighting Company Limited was located in "China Lighting Capital" --Guzhen, Zhongshan city. After over 35 years development, keeping pursuing the production strategy of Quality and Profession, the company has become one of the prestigious manufacturers in the lighting industry. The brand of HUAYI has been recognized by customers both from China and abroad.

With 200,000 square meters industrial area and 20,000 square meters of a modern showroom catering for various types of lighting products, Huayi Lighting has kept the leading position in the line of lighting since its foundation.

The Huayi Engineering Center has a senior professional strength, characterized by the excellent ability of system implementation, organization of the field cross construction, effect verification and correction of deviation. Huayi Engineering Center combines its resources and everyone does its duties and works hard to present charm in the lighting projects through the integration of supply chain, construction management, after sale, domestic and foreign marketing and other one-stop services.
